CAREER OBJECTIVE

I am a highly organized and hard-working individual currently pursuing my MCA while seeking opportunities to gain practical experience. With a solid foundation in web development and programming, I have worked on various projects, including E-Commerce websites and frontend clones, demonstrating my dedication to learning and improving my skill set.

EDUCATION

Masters of Computer Applications - DAV UNIVERSITY, JALANDHAR JULY 2024 - MAY 2026
CGPA:8.20

Bachelor of Computer Applications - KMV, JALANDHAR JULY 2021 - MAY 2024
PERCENTAGE:73.4%

SKILLS

Technical Skills:	HTML, CSS, JavaScript, Bootstrap, React.js , Nodejs, Express.js
Soft Skills:	Communication Skills, Time Management, Leadership, Problem-Solving
Tools:	VSCode , Postman, Figma, Git, GitHub, Google Colab
Database Management:	MongoDB , MySQL , Oracle

INTERNSHIP

APPTECHIES(Mohali) JUNE 2025-JULY 2025

- Developed responsive and dynamic web interfaces using React.js, creating reusable components and managing data efficiently with props, states, and hooks like useState and useEffect.
- Collaborated with design and backend teams to integrate RESTful APIs, ensuring seamless functionality and a smooth user experience.
- Enhanced debugging, problem-solving, and teamwork skills while gaining hands-on experience in modern JavaScript (ES6+), component-based architecture, and agile development practices.

META(COURSERA) NOVEMBER 2023-JANUARY 2024

- Successfully completed a 3-month Front-End Developer Internship Training by Meta through Coursera, gaining in-depth knowledge of HTML, CSS, and JavaScript.
- Learned to build responsive, user-friendly, and visually appealing web pages, focusing on layout design, styling, and interactivity.
- Improved problem-solving, debugging, and UI design skills through hands-on projects, strengthening understanding of web development fundamentals and best coding practices.

PROJECTS

1.MERN Stack Movie Ticket Booking Website – Popcornix (MCA Major Project)

- Developed a full-stack movie ticket booking platform Popcornix using the MERN Stack
- Implemented movie browsing, showtime selection, seat booking, and secure user authentication features.
- Integrated Razorpay Payment Gateway for online payments and seamless ticket booking transactions.
- Built a responsive user interface and connected frontend with backend REST APIs for smooth user experience.

2.MERN Stack E-Commerce Website – Trends (MCA Minor Project)

- Developed a full-stack clothing e-commerce website named Trends using the MERN stack.
- Implemented core e-commerce features including product listing, cart, and user authentication.
- Designed and developed an Admin Panel for managing products, users, and orders.
- Focused on responsive UI design and seamless frontend-backend integration.

3. ScrapUncle – MERN Stack Scrap Collection & Recycling Platform

- Developed an eco-friendly platform for collecting, selling, and recycling scrap materials.
- Built responsive user interfaces using React.js and integrated backend APIs using Node.js and MongoDB.
- Implemented scrap pickup scheduling, category management, and user authentication features.
- Promoted sustainable waste management and recycling to reduce environmental impact.

4. E-Commerce Website (Frontend Only)

- Mini Projects Built a responsive e-commerce frontend with product listing and cart UI. Implemented React Router for navigation and React Hooks for state management. Designed modern, mobile-friendly UI using Bootstrap and CSS.

CERTIFICATE

- WebStorm Certification, DAV University — Nov 2025
- MERN Stack Development Program, App Techies — Jun 2025
- Meta Frontend Developer Professional Certificate, Coursera — Nov 2023
- JavaScript Training, Great Learning — 2023

ACHIEVEMENTS

- 2nd Position Holder in WebStorm Competition, DAV University
- Participant in University-level IT Quiz Competition
- Participated in Code Debugging Events, enhancing logical thinking and error-resolution skills

EXTRA CURRICULAR ACTIVITIES

- Workshop on IOT and Machine Learning - Nov '25
- Punjabi intellectual Meet-an International Conference - Sept ' 25

LANGUAGES

- English
- Hindi
